

PORT LINCOLN COMMUNITY HUB

August 2018–Term 3

We have been seeing lots of new faces visit the Hub over the past few months, including parents from other schools/preschools around Port Lincoln.

Our Cooking program (Tuesdays 12-2pm) continues to be popular with a great list of recipes planned for this term including curries, lasagna, pizzas and lots more! All recipes are easy, low-cost and usually you can take some home for the family! Big thank you to Marie from Uniting Country SA for her support with this one.

We have also seen some more parenting workshops happening with parents of children from 3 years old up to 17 years old coming along. We look forward to offering more of this soon.

And of course our Hub Celebration night was a huge success with lots of families coming out in the cold to enjoy the bouncy castle, free BBQ and the mini-market run by FoodBank SA. Thank you also to the families who provided some great suggestions and ideas for future activities at the Hub. Art and craft sessions were most popular so we are going to get them happening this term. Please come along and check it out. Congratulations to our raffle winners from the night!

This term we will be introducing a weekly playgroup with Save the Children. If you have little ones, please come along and check it out on Thursday mornings.

We have new things starting all the time at the Hub so pop in, say hi and check out what's on offer!

GARDEN

Our Community Garden will be starting later in term 3, ready for Spring!

If you are interested, please let us know so we can contact you when we are ready to start!

We want all children and families in Port Lincoln to live in a safe, loving environment where they are physically and mentally healthy, and connected to community.

Have you seen the Fishy display on the Drake's wall? Did you know we ran workshops here at the Hub to help contribute to this? What a fantastic whole-community project! Well done Karen and Kate and thanks for letting us get involved!
