

****IMPORTANT****

We now have our own school app for your convenience!

We anticipate that this app will shortly replace our traditional methods of communication such as the paper newsletter, paper notes home, etc., and provide families with a reliable and eco-friendly option to gain valuable insights and updates on what's happening at school. Families who join up to SkoolBag will receive notifications via the app so they can always be assured of current information. To get the latest news on school events, classroom notices, bushfire and emergency alerts and much more just download the SkoolBag app!

For Apple and Google Android Users

1. From your iphone/ipad open the Apple App Store and search for "SkoolBag" or from your android device/phone open the Google Play Store and search for "SkoolBag".
2. Download the free SkoolBag app.
3. Open the app, search and add "Lincoln Gardens Primary School" and you're ready to go!

Note: For classroom notices don't forget to join the classroom group by selecting B2R1 (Mr Cochrane) B2R3 (Mr Rowsell) B2R5 (Mrs Plakakis) or B2R7 (Mrs Parker and Ms Fitzgerald).

If you have any difficulty downloading the app, pop into the front office and we will be more than happy to help you out!
