Term 1 Week 6

Meet & Greet

Thank you to all the families who came along for our Meet & Greet afternoon. It was fantastic to see a great turn out & we look forward to continuing our positive relationships with the community.

Principal—Sandra Spencer

On Monday the 25th of Feb 1000 Principals and Preschool Directors attended the 'Leaders Day'. Over the day we were able to attend various workshops which supported the direction of the DfE. Rick Persse (CE) spoke about the importance of challenging and supporting every student to achieve their highest potential; he said that the DfE will be holding the course and not changing direction; he presented us with the 'Strategic Plan: Growth for every child in every class in every school', building world class education in South Australia within 10 years.

On Tuesday the 26th of Feb, Michelle Averay and I attended the 'Literacy Summit'. We both were able to listen to some experienced leaders in the Literacy field and came away with many ideas to consider. One of the big messages was 'Don't waste one single day!' We need to ensure teacher clarity, magnify effective instruction, align literacy strategies to students, provide deep learning opportunities and allow students to transfer their learning in order to be successful Literacy learners.

On Thursday the 28th of Feb the 3/4/5 class held the Whole school Assembly. It was great to see parents coming along to share in the learning. At the assembly the 3/4/5 class shared about their class' recycling project and they encouraged everyone to place their 10c containers in the small wheelie bins around the school to support their program. The F/1 class sang a 'Watermelon' song which came from their excursion learning at Mario's Garden.

The SRC Representatives were also introduced at the assembly. Each class has 2 SRC Reps and part of their role will be to share their classes' ideas and opinions at meetings. The SRC will also hold small fun events throughout the year.

2019 SRC Reps:

- F/1 : Taeleah Cook
Ashden Aplin
- 2/3: Narico Richards-Carter
George Burgoyne
- 3/4/5: Ricky Hart
William Casserly
- 5/6/7: Jake Aplin
Harry Halls

Aboriginal Education Leader—Michelle Averay

This week Karin Garrett (Aboriginal Community Education Officer) Robyn Pitt and Blanche Jenkins commenced the QuickSmart Literacy programme with selected students from year 5 to 7. The purpose is to provide targeted Literacy intervention for students in need.

Thank you to all who visited our Meet & Greet afternoon. It was lovely to see so much support for the education of our students.

It has been fantastic to have so many students set up their Individual Learning Plans with you at home and their teachers. Thank you for participating in your child/children's education. If you have not yet signed the IEP please do so as soon as possible and return it to school so the goals can be actioned appropriately and quickly.

Your support is very much appreciated.

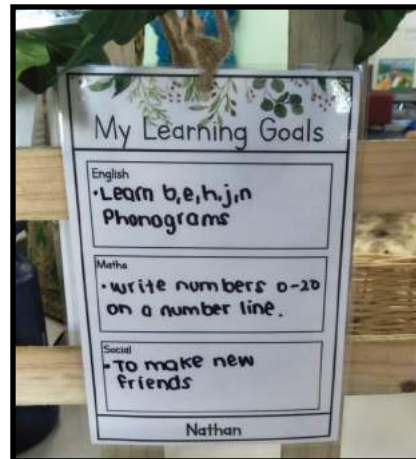

Kind Regards

Michelle Averay

Aboriginal Education Leader, Lincoln Gardens Primary School.

B2R1 Learning Goals and steps to success.

B2R7 Learning Goals and steps to success.

B2R7 staff and parents working together to educate our students.

Classroom Report - B2R5

This term our class has been doing STEM (Science, Technology, Engineering, Maths) lessons on Monday afternoons with Room 3 (F/1). Students have been testing their STEM ability in some very interesting challenges.

Popcorn Challenge:

We made predictions and investigated what would happen if we put a cup of popcorn (one by one) into a cup of milk. Do you think any of the milk spilt? Try it at home!!

Jellybean Challenge:

We designed and created structures that could stand using jellybean and toothpicks.

Paper Planes Challenge:

We planned and tested planes that were made by folding a single piece of paper.

Parachute Challenge:

After reading 'Jack and the Beanstalk', students were asked to make a parachute that would help Jack to fall from the top of the beanstalk as SLOWLY as possible.

Lincoln Gardens Primary School Governing Council Easter Raffle
