Little Lotus Cafe

This Term in the Library student's are experiencing a 'Taste of Vietnam'. The Yr 4 to 7 students are taking orders and waiting tables in the Cafe every Tuesday and Thursday at Lunchtime. This Program aims to give these students a real life experience of what working in a Cafe is all about.

Principal—Sandra Spencer

Welcome back to Term 3, I hope that you enjoyed the break with your children. We are looking forward to this term as we have many events and programs planned.

It is great that the Library Café is up and running this term due to the COVID-19 restrictions lifting in SA. Mrs Ambrose has been busy decorating the library to show the Vietnamese Culture. The upper primary students have the job to be the waiters/waitresses and support Mrs Ambrose to clean up after. So far they have got to taste Vietnamese spring rolls, fried rice and a sweet rice dish which was enjoyed by all the students.

We will celebrate Aboriginal & Torres Strait Islander Children's Day on Tuesday the 4th of August. The day is the largest national day to celebrate our children. Children's Day is celebrated across Australia each year on 4 August. Children's Day is a time for Aboriginal and Torres Strait Islander families to celebrate the strengths and culture of their children. This year's theme: 'We are the Elders of tomorrow, hear our voice' honours the Elders—custodians of Aboriginal and Torres Strait Islander traditional knowledge, passed down to their children through stories and cultural practice. Miss Watson has organised a small assembly to recognise why each student is special with a special treat.

We are busy preparing for our 50th Anniversary celebration. Last week students drew their portrait to be part of a 50th Anniversary tea towel. The Tea towel will be on sale for \$15 during week 8, if you would like to pre-order and pay for a tea-towel please come to the front office. Classes are preparing a short video clip about changes from 1970 to 2020, these will be shared at the 50th Anniversary Open Afternoon on Thursday September the 11th. All current families and students as well as past families, students and staff are invited to help us celebrate this momentum occasion. At the event you will be able to view memorabilia from the 50 years as well as add a message into the new time capsule and add to a wall mural.

This term all students will participate in the PAT Reading and Math Assessments. The year 4 to 7 students will complete a Wellbeing Survey later in the term and all students will complete a Phonics Screening check in week 5.

If you have any questions or concerns please do not hesitate to contact the school to discuss.

Student Wellbeing Leader—Justin Pool

Welcome back to Term 3! It's great to see everyone settling back into learning after the holiday break.

SRC has already started their meetings and have some very exciting ideas for events they would like to help run this term. These include dress up days and special tuck shop lunches. Please look for future notes about these events.

Each week the whole school participates in 'Whole school sport/ Play is the Way'. During this time, the school is involved in a different game each week focusing on key elements of the Play is the Way program including– being brave, treating others how we would like to be treated, having reasons for our actions, perusing our personal best and the strength to be sensible. Through these games/activities students build on their social and emotional learning and are outside having fun while doing it. Whole school sport is held between 2:30 – 3:00 pm Friday, each week. So if you get a chance come and watch the whole school have some fun.

Aboriginal Education Teacher—Rikki Lee Watson

Cultural Flags

The students have been working hard to finish the Australian, Aboriginal and Torres Strait Islander Flags, which once completed will be located in our new Cultural Area. However, we are in need of **MORE SMALL & LARGE BOTTLE LIDS—green, red and dark blue**. Please send them in if you have any!

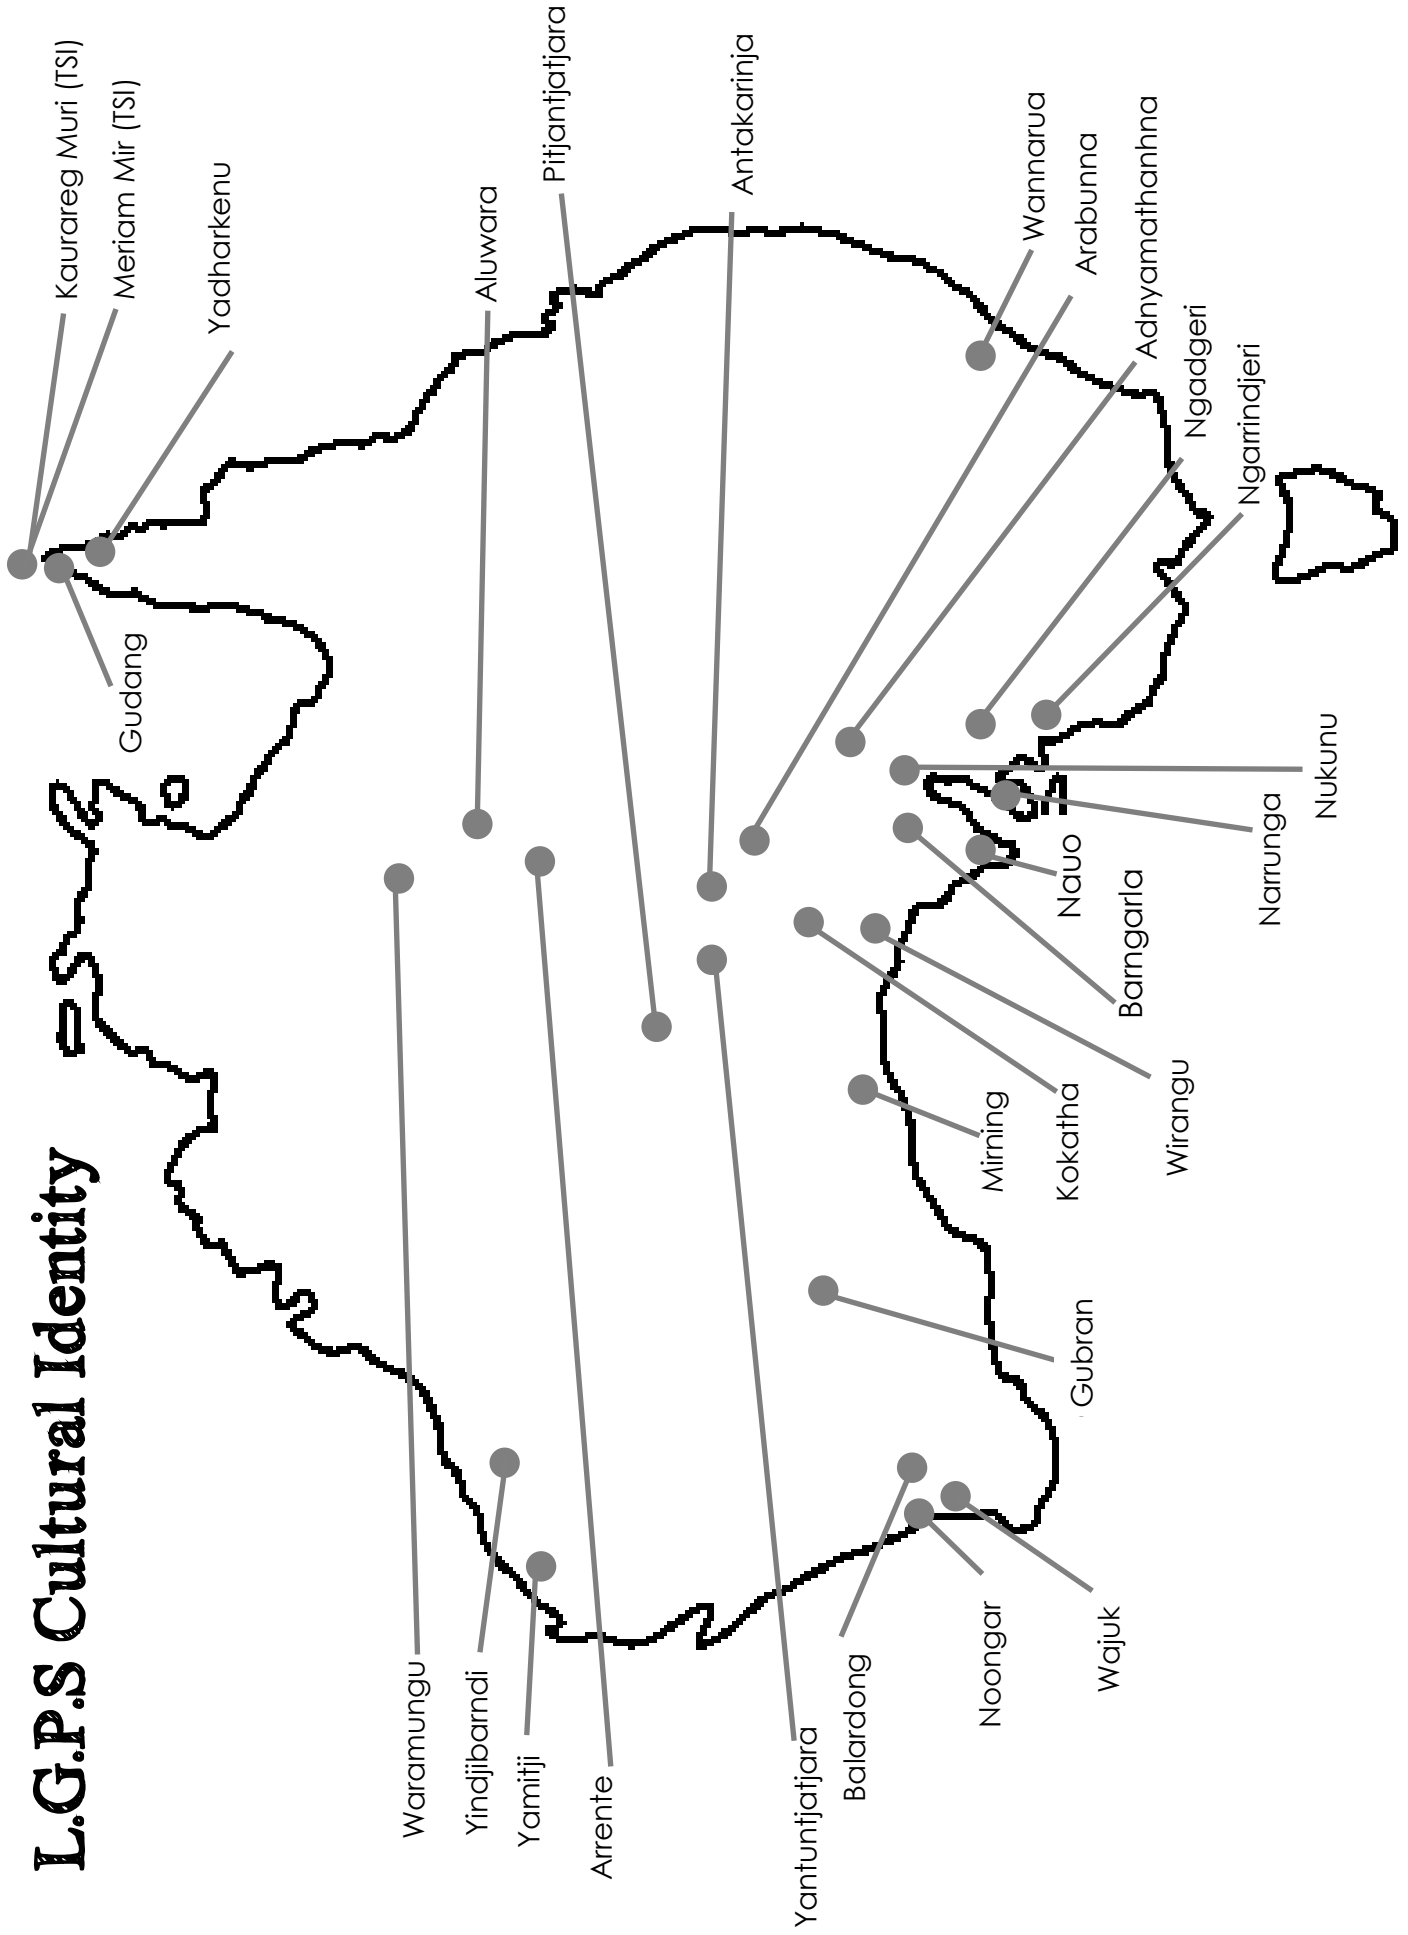

Student Cultural Identity

During Reconciliation Week students investigated their cultural identity by either identifying the Indigenous Language Groups they belong to or the Australia State/Territory where their parent(s) were born. Each student presented their cultural identity to their class and together used this data to create a display in their classroom using the Aboriginal Australian Map. The Ab Ed team then collated all students' data to create a map displaying the Aboriginal Languages that represent our students. The map is located on the following page. This map is going to be created into a sign and located in our new Cultural Area.

If you have not let the school know your child's Aboriginal Language Group(s), please do, so we can add to this map. If your Aboriginal Language group is spelt incorrectly or is not located correctly on the map of Australia, please contact us.

L.G.P.S Cultural Identity

Ancient China. Facts From B2R1!

William: The Ancient Chinese people ate rice, wheat and millet.

Samuel: Chinese people have used chopsticks to eat for over 4,000 years.

Raquel: The printing press was first invented in Ancient China and the most popular booklet was of Buddhist sayings and prayers.

Layshah: The dragon is a symbol of good luck, power and strength. The last Emperor of China became the ruler at the age of three years.

Kobe: Farming rice started over 9,000 years ago.

Jess: Ancient Chinese people used the Yangtze River to move resources and to produce food.

Harry: The Ancient Chinese people were forced to build the Great Wall Of China to keep the Mongolian people out.

Lakita: Over 400,000 people died when they were building the Great Wall Of China and they were buried in and under it as they went.

Tayla: The first ruler of Ancient China was Qin Shi Huang and he had 11 children. He became ruler when he was only 13 years old.
