Aboriginal and Torres Strait Islander Children's Day

National Aboriginal and Islander Children's Day was established on the 4th of August 1988. Aboriginal and Torres Strait Islanders people felt a day was needed to celebrate our children, to give them confidence and make them feel special and included. The date the 4th August was historically used to communally celebrate the birthdays of Aboriginal and Torres Strait Islander children who were taken from their families at a young age, without knowing their birthday - The stolen Generation.

This week we are thanking our SSO's and ACEO's for the work that they do. We value all that they do from working with students in their classrooms, ensuring that parents get information about school events etc, conducting home visits, supporting student wellbeing, driving the school bus, running a library and much much more. A school is made up of many people, this week we get to show our appreciation of all the hard work that the SSO's and ACEO's do.

Culture Week and 50th Anniversary celebrations are fast approaching, we invite all our parents to take the opportunity to join us to celebration both important weeks. Please check out the dates/time below. As part of the 50th Anniversary celebration we have created a commemorative tea-towel, all students drew their portrait as well as staff, it has some information about the school history. If you wish to purchase a tea-towel for \$15 please come into the office and pre-order, they will not be available until week 8.

Wow! Just like that we are half way through Term 2. Last week, the SRC held a whole school event 'Sports Colour Day' and Special Tuck Shop lunch. The SRC and I would like to thank Blanche and Rachel for organising and preparing our tuck shop lunch. We are definitely looking forward to more whole school events in the near future.

One of the SRCs responsibilities is to host whole school assemblies. Last Thursday, we held our first one for Term 3. All SRC reps did a fantastic job at public speaking and showed our school values of **RESPECT**, **RESPONSIBILITY**, **RESILIENCE** and **RELATIONSHIPS**. Please remember to check all school notes as it would be great to see more parents/caregivers at our next assemblies.

WHY HAVE ROOM 5 BEEN COOKING?

The Year 2/3 class have been learning about **Procedures** in Directed Reading and Writing lessons. They are understanding the importance of following a sequence of steps in chronological order to successfully make something.

The students were able to follow a sequence of steps in a Recipe to make these delicious Chocolate Chip Muffins.

The class wanted to share their success with others so they decided to give every student in the school a Chocolate Chip Muffin to enjoy.

The year 4/5 class are learning about

Students created a list of needs and wants for 10 days stranded on an island. Can you identify what items are needs and what items are wants?
